

# OPERATION ONE

Engage. Explore. Empower.

*Greetings and Blessings from Operation One! As 2021 comes to an end, we want to take a moment to thank you for all your kindness and support. Your commitment to Child Sponsorship and donations helped us give vulnerable children and their families stability throughout this pandemic. To this day, we have served over 1000 families across the country of Uganda with not only a meal and education, but vital health care and spiritual support they need. More importantly, you have brought smiles to these amazing faces!*

*Our One Hope is in the life of Jesus Christ. As Paul writes in **Ephesians 4:4** "For there is one body and one Spirit, just as you have been called to one glorious hope for the future." We are excited about that hope for the future! This Year-End campaign is embedded in that truth. You can just see the Hope in the eyes of the children and families we serve together. One Child, One Family, One Community all under our Hope in Jesus Christ!*

*The people of Uganda are still in need of our support! We are committed to continuing to stand in the gap for them. I am excited to update you that we have already raised just over \$30,000 in this year-end campaign and our goal is to raise \$65,000 for our general fund. As we approach the joyous celebration of Christmas and New Year, we want to invite you to help us continue to serve these children and their families in Uganda and also help us grow Operation One into 2022.*

*The enclosed brochure has updates on child sponsorship and our 2021 initiatives. You can also see how you can contribute with a mail-in form and an online option with a QR Code.*

*As the New Executive Director, I am so blessed and excited to be able to partner with you and serve the people of East Africa! Thank you so much for being a part of this mission.*

Thank you,

*Rich Ward*
